

Dear Parents/Carers,

We are planning to run a new After-School cartoon workshop for pupils in Years 3 to 6.

At the club children will:

**Build characters from circles, squares and triangles
Discover how simple shapes form heads, bodies and features.**

**Drawing expressive faces
Happy, sad, surprised, angry**

**Creating funny animals and imaginative creatures
Turning real animals into cartoon versions using exaggeration and personality.**

**Simple body poses and movement
How to show action, running, jumping or waving using stick figure foundations.**

No prior experience is needed, just creativity and imagination!

**When: Date to be confirmed - 3:30pm - 4:30pm
Cost: £36 for a 6-week introductory course**

Led by: Peter Atkinson, a professional animator, illustrator and experienced primary school teacher with over 20 years of teaching and workshop delivery experience.

If you would be interested in your child taking part, please return the slip below. Places are limited and will be allocated on a first-come, first-served basis.
